Our **SOPHOMORE** year arrived after a great summer. We entered the doors feeling confident and ready to begin work. We had experience in dealing with the high school life, and we feared no one. We were now permitted into the large cafeteria for study and had the privilege of talking and moving around.

Spirit week was another victory for us. We won the can drive and our reigning pie-eater, John Perry, broke his tooth by smashing his face into the pie. In the hall, girls dressed as boys and boys dressed as girls could be seen everywhere. We were an entire class of Boy George's.

Homecoming rally arrived and Tracy Mooney took over for freshmen queen Janet Marn.

Another exciting aspect of our SOPHOMORE year was Drivers-Ed.

December came and we were allowed to order our class rings. When they arrived, everyone realized that we were now official high school students. As the year passed, we had matured and had come to realize how great our next two years would be. We were not invited to parties where we listened to the British Rock of Duran-Duran and The Police.

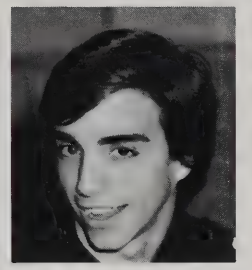
The departure of Mrs. Armburst and Mrs. Wing was felt by all, but the arrival of Joe Stud, the substitute teacher, was easily appreciated by the girls.

Our **FRESHMAN** year was one of many surprises as we came to the S.H.S. filled with fear as well as excitement. We shocked the school with our freshman victory in Spirit Week, especially upsetting the seniors who had held the title for the previous two years. The canned goods and attendance gave us a head start, and although we lost most of the athletic competitions, the pie-eating contest pulled us through. We demonstrated our newly-found maturity as High School students by dressing as martians and, believe it or not, "trashbags."

Breakdancing came into fashion as we all "Beat It" to the beat of Michael Jackson.

Being a freshman was fine until we tried to go to parties, and we realized how terribly unwanted we were. We eagerly awaited the end of the year, but we had one last obstacle left to conquer: FINAL EXAMS! They did have one advantage though, we were free by lunch time to leave school and hit the beaches!

We finally realized that we were really in high school when our pictures appeared in the yearbook. What a thrill!



At long last, **SENIOR YEAR** had arrived and now we could **"RULE THE SCHOOL"** just as "the Boss," Bruce Springsteen was ruling the Rock World. We thought that after being here three years we had adjusted to everything but we were not prepared for the new set of rules which included a new bell schedule. Rather than the customary five-minute break between classes, there were now only three, which limited our social life drastically. We quickly compromised on four due to the mad rush in the halls.

After a few days, school once again for monotonous and we all looked forward to the Senior Supper. Senioritis was already setting in.

The big question of the year was whether or not we were going to attend Harvard or C.C.R.I. in the fall of '86. College applications were dreaded by all seniors. The only good aspect of going to college was getting out of class to meet with college representatives.

The football players were psyched for Homecoming, and the support was shown by their school in the rally.

Everyone awaited Spirit Week as the Seniors anticipated a fourth consecutive win.

The winter was long and drawn out, but we found some relief in winter sports.

As spring arrived we all prepared for our action-packed last week at Seekonk High. First on the agenda was Class Night directly followed by our Senior Prom at the Sheraton Islander in Newport. On the last and final day of our experience at Seekonk High we graduated with mixed emotions. Our time at Seekonk High will always be looked upon with fond memories.

The beginning of our **JUNIOR YEAR** marked the half way point of our high school career. Summer had ended but you couldn't tell by the way we were dressed. The halls were filled with surf-style outfits, expecially the always popular Ocean Pacific (O.P. to the in-crowd), and even boys with jams.

These attempts to keep summer alive, however, did not postpone the inevitable PSAT's. Where did those words came from? Not English!

We really had the upperclassmen spirit, though, and it came through when we once again proved that the Class of '86' was unbeatable by winning our third consecutive Spirit Week. Ghostbusters and nerds led us to victory under the sign "Born in 68, out in 86!". Nellie Couto proudly represented us as homecoming queen.

Prince and Madonna were the star idols of the year. We were "getting into the grove" and saying "Let's go crazy" by the time winter arrived. Winter also was the time when most of us had reached the magical age of sixteen, and that meant driving. Lessons with Mr. Weintraub prepared us to hit the roads. And, of course, one can never plan for the Junior Prom too early. All the time and money invested in tuxedos, gowns, limos, flowers really paid off. Our night, June 7, was "Heaven" especially for our Prom Queen, Kerri Holmes.

The year ended on a low note, with final exams, infamous SAT's and good-byes to many good friends in the senior class. But we would return as SENIORS, and that was the best part.

Heaven

The class of 1986 had long awaited their Junior Prom. Many of us had been guests but never had been to our own prom. The wait was well worth it. The night of our Junior Prom will be remembered fondly by all. Our prom was held at the Sheraton in Mansfield and our theme song was HEAVEN. It was very strange to see our whole class dressed in gowns and tuxedos, rather than their casual style of dress.

For the majority of the girls the first item on the agenda was a trip to the ladies room. Here everyone complimented each other and retouched their own makeup.

Once everyone had settled down at their assigned tables, couple pictures were taken by numbers. Soon after pictures, our delicious dinner arrived which everyone "loved." After dinner, we once again began to dance to the beat of the music.

Next was the picking of the queen and her court, while the class of 1986 danced to their theme song. The waiters and waitresses were assigned to the tough task of picking these girls. Kerri Holmes was crowned queen while Elisa Warren, Mara Ferreira, Michelle Marek, and Jen McKenzie were honored members of her court.

As the night came to a close, we all collected favors and left the Sheraton with a great memory of our junior prom.

Memories . . . Like the corners of our minds
misty watercolored memories
of The Way We Were
Scattered pictures of the smiles we left behind
Smiles we gave to one another
for The Way We Were
Can it be that it was all so simple then?
Or has time rewritten every line?
If we had the chance to do it all again
Tell me, would we? Could we?
Memories may be beautiful, and yet
What's too painful to remember
We simply choose to forget
So it's the laughter
We will remember
Whenever we remember
The Way We Were

A New Couple?!?

Join the Party Train

The annual Senior Supper was held at the Elk's Club in Attleboro on October 23, 1985. The senior class gradually filed in between 6:00 and 7:00

After the surprisingly good dinner the dancing began. The seniors filled the dance floor with their own individual dance style. The styles ranged from normal living to the new wide eyed Dave Santos prance. The senior class all joined in the party train as we roamed around the tables and in and out the doors. Senior spirit was evident as the class got "a little bit louder now." The time passed quickly and before we knew, it was time to leave.

We had a great time, but the partying did not stop there. The fond memories of this night will be added to our collection of memorable events at Seekonk High.

The Class of '86 is Unbeatable

Seniors take over

Not this again

MADDOG

Spirit Week '85 was an extra special one for the class of '86 since they were going for their fourth consecutive win. This was a record that had never been reached before in all of S.H.S.'s History.

The drive for a victory was evident in the halls on the first day when Seniors dressed as Beach Bums. Underclassmen were giving a competitive spirit as Juniors dressed as different types of occupations, Sophomores as Sport figures, and Freshmen as Tourists.

Canned goods started rolling in. (The Seniors were pushing for their fourth win in this event.) The trivia contest took place after school as Mr. R. Ridolfi asked some pretty difficult questions. Sophomores came in 1st, Freshmen 2nd, Juniors 3rd, and Seniors last. Oh well, who said Spirit Week should be judged on intelligence anyway? Tuesday was the start of the competitions in the gym; everyone continued to show their spirit by dressing up once again: Freshmen were tinsel — people; Sophomores — Hawaiians; Juniors — Bums and Bagladies; and Seniors dominated the halls as partiers. A few complaints were going around when the Seniors were making a little too much noise with their party horns — Seniors will be Seniors!!

The gym seemed to be the Hang out of the week. (Now, who gave you permission to be here??)

After lunch, the gym began to be filled. But where were the Seniors?? Well, they were lined up in the hall waiting to make their entrance. The music started and "The Party Train" began. Eric Dantas and Tony Moniz led the train into the gym as the whole Senior class followed, attached onto one another. What a Spirited Sight!

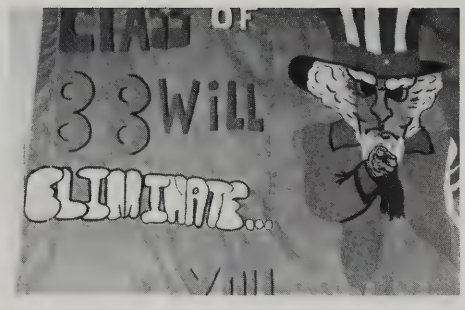
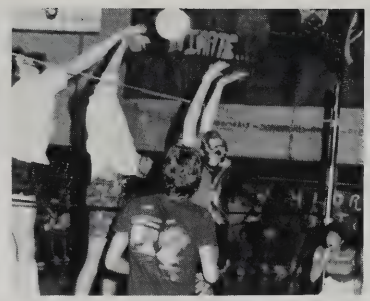
The Class of 1986

Look up there.





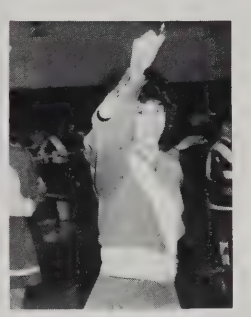
events of Tug of War, Volleyball, Basketball, and Steal the Bacon took place. The Seniors were victorious in the combined girl-boy competition of the Obstacle Course, as Elisa Warren and Billy Crowley demonstrated their speed and coordination in the treacherous course. A special Congratulations to Elisa for reaching her life-time goal of getting the basketball in on the first try!

Wednesday, finals were held and the remaining events and the results were: Volleyball — 1st place Sophomores; Basketball — 1st place Sophomores; Tug of War — 1st place Senior boys and Sophomore girls; Steal the Bacon — 1st place Seniors. Sophomores won the pie eating contest and Seniors won Simon Says. Students were victorious in the Faculty vs Students Volleyball game.

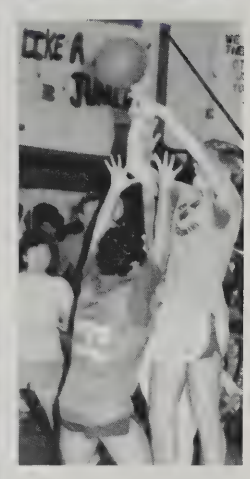
The Seniors placed first in the canned food drive by an overwhelmingly large margin, but evidently the Seniors were suffering from Senioritis by placing last in attendance.

Seniors were voted, by the teachers, as the class with the most spirit since they showed organization in their Party Train, originality in their posters, enthusiasm in their balloon display of blue and white, and a great amount of Spirit when they chanted "We have Spirit, how 'bout you?". When the points were tabulated the Seniors were victorious for their fourth time at Seekonk High, a record that will surely sit in the books for a very long time!

Go Jo Ann



Do I have to hit that round thing?



Way to go Seniors!

HOMECOMING '85

Homecoming of 1985 was the first rally of the year, so the school was filled with spirit and enthusiasm. As the nominees were called down to the gym floor, for the first time in S.H.S. history "King" nominees joined them.

At the end of a high-spirited rally the winners were announced. The Homecoming Queen of the class of '86 was Michelle Marek and the King was Jason O'Hara. The court was made up of Freshman, Kristen Hicks and John Larkin; Sophomores, Kati Turner and Steve Gravel; and Juniors, Chris Marchetti and Ron Ricki.

Also for the first time a competition was organized for each class to create their own float. They looked "Marvelous" as these blue & white creations were driven around the football field at half-time. The game ended in a successful win for the Warriors.

Stable Pitching

The Seekonk Baseball team, after winning 8 of their first 9 games, struggled to a 10 and 9 final record.

Seniors Aaron Thomas, Mike Masuck and Tom Cosgrove led the brunt of the offensive attack along with underclassmen Rob Hunt, Scott Morin, Scott Miranda and Eric Vandal.

Although offensively the Warriors were erratic, the pitching was stable throughout the season. Most prominent was the outstanding hurling of senior Ken Ryan. He was selected to the **Sun Chronicle** All Star League. His domination of opposing hitters often went unrecognized in defeat but proved again and again to be the key to the Warrior's sucessful year.

Coach Ridolfi has high expectations for the future with most of the starters returning.

HIGH HOPES FOR '86

It was another outstanding season for Girls' Softball last spring. The team finished the regular season with a fine record of 15-5, as co-champions.

In doing so they qualified for the South Section Division 2 State Tournament, bowing to a tough Medfield team in the first round. Chris Devine, had an excellent year of pitching without any previous experience. She and Dina Cloutier were selected to the Division 2 All-Star Team and **The Sun Chronicle** All-Star team. Lisa Dutra was selected as the team's most valuable player.

Coach Norman Bowlin has high hopes for the 1986 season with the loss of only two players through graduation. Sue Head, and Dina Cloutier are the teams most promising players for the future. Although they will be returning with a very experienced team they will be competing in a very strong new league, the South Coast Conference.

LOVE

With much talent and practice, the Boys' Varsity Tennis Team breezed through the conference with an admirable record of 12-3.

They put forth their best effort and made it to the state playoffs. They won the first and lost in the second to one of the best teams in the state.

The first doubles team of Mark Pitassi and Peter Stewart was one of the most powerful and successful teams in the conference. In addition, third singles Eric Hess also performed well by winning 10 out of his 13 matches.

Coach Ron Ridolfi was happy with the team's accomplishments this season. With steady progression throughout the year and only one senior to replace, the team's prospects for the future are promising.

Among the veterans that will be returning to defend their positions are Pitassi, Mike and Peter Stewart, Eric and Alex Hess, Steve Beckler, Jeff Howell, Corey Scott, and Matt Holmes.

MVP's Returning

The Girls Tennis Team finished the 1985 season with a respectable 10-10 overall record. Coach Elizabeth Sullivan is looking to the future with such people returning as Irene Sullivan, named to SMC Div. I All-Star team and the teams M.V.P., Statci Shepard, Lisa Miranda, and Krista McCulla; Juniors Kati Manning, Carlene Perry, Erin Foley and Becky Lipson. Sophomores Kris Ridolfi and Kris McDonald will also be returning.

"Oh yeah . . . what else did she call me?"

ANTICIPATION

The Girls' Spring Track team had another very good season. They opened their season with a win over Division Two Champion Bishop Stang. With much effort and dedication, the girls finished with a 2-2 record in division one and an over all record at 3-3 in dual meet competition. In addition, they placed a strong 3rd in the Mass state relays, tied for the first in the Division I Championship Meet, and finished a respectable 5th out of 45 teams in the Class C Meet.

The team is definitely composed of many leaders and winners. Among them are All-Star, Elisa Warren, who set a new class C record in the 330 low hurdles. All-Star Missy Silva in the 100 low hurdles, and outstanding Mile Heather Grimshaw who also scored in the Class C Meet.

With 47 veterans returning and Seekonk's addition to a much weaker league next year, Coach Gary Seal believes that the teams prospects individuals are Elisa Warren, Tracie Mooney, Stacie Senay, Sheila Letendra, Heather Grimshaw, Missy Silva, Jill Baldani, Jean Raymond and Kris Roberts. Coach Seal comments that the team performed very well, and he is extremely excited for next year's season.

Future Potency

The Boys' Track Team had an excellent season with 4 wins and only 2 losses. The entire year was filled with excitement and success, especially from Bill Crowley and Al Khan who both were members of the All-State All Star Team. Al was the state champion in the javelin and Bill was the state champion in the mile. However, the highlight of the season was supplied by the exceptional Crowley who won the New England Mile Championship with a new record. Congratulations Bill!

Coach Frank Mooney is extremely excited for more success next year since the team will be competing in a weaker league. Mooney's optimistic prospects for the future are based on the fact that outstanding underclassmen will be returning. Among them are undefeated Bill Crowley, pole-vault record holder Tim Martin, Rich Savignano, Todd Urguhart, Darrel Davidow, Pete Marshall, Mike Baldani, Tom Hendricks, and many more future hopefuls.

The Seekonk Football team had an outstanding season this year and finished with a 7-3 record. The team captured the South Coast Conference Championship and three of the players — Jason O'Hara, Scott Cinq-Mars, and Paul Faria — were selected as League All-Stars. Coach Colangelo feels that this was one of his most fulfilling seasons and eagerly looks forward to next year's season.

The team was lead by Sophomore quarterback, Jose Medina and Tri-Captains, Thomas Hendricks, Jason O'Hara, and Tim Martin. Many of the underclassmen including Todd Urquhart and Jason Swepson have strong potential and confidence for a second championship.

C-C Dominance

Under the coaching direction of Mr. Mooney the Boys' and Girls' Cross-Country Teams dominated the New South Coastal Conference.

The Boys' team finished with a league record of 7-1 while the girls cruised to a 8-0 record in league competition. Each team captured the league meet, with the boys averaging a one-point loss to Apponequet. Both the boys and girls finished second in their division at the Eastern State Class Meet. At the State Meet the girls finished an outstanding fourth while the boys finished a commendable 12th.

Individually, the boys' team was led by dominance of senior Billy Crowley. Crowley captured the State Championship and the Eastern Seaboard Championship, in addition to compiling an undefeated league season. Bill was selected by the BOSTON GLOBE as Runner of the year for the second consecutive year.

For the second time, Bill qualified for the National Championships in San Diego. He improved his time this year by over twenty seconds in placing 13th, being the top finisher from the East Coast.

The girls' team, meanwhile, washed by the outstanding season of Sophomore, Heather Grimshaw. Heather also finished undefeated in league competition and captured fourth place in the State Championship Meet. In achieving such excellence during the season, Heather was named to the Boston Globe All-State team. The teams reached such dominance, though through a team effort.

Selected to the All-league team were Bill Crowley, Rich Savigiano, Jim Haley, Heather Grimshaw, Beth Tomei, Paula Sincero, and Jill Baldoni, with Mike Baldoni, Eileen McGovern, and Jean Raymond receiving Honorable Mention.

Mr. Mooney has much promise for the future with the return of many outstanding prospects.

BOYS LEARN THE SYSTEM

The Boys' Basketball team finished their season with a disappointing record of 2-18.

Initially the team had difficulty adapting to the playing system of first-year coach Paul Furlong. Yet, as the season progressed, the team began to play together learning the system and consequently became competitive. Many of the losses were close games which could have gone either way.

The team was led by seniors Tony Moniz, Ken Ryan, Phil Woschenko. The team has a promising future in sight with the return of many varsity players. Returning next year will be juniors Bob Young, Bill Kinsley, Dave Zepp, Jeff Beaudette, Shawn McCormick, and sophomores Jeff Howell, John Bowers, Daryl Jasper, and Eric Hill who experienced extensive play time.

Girls Make Turnaround

With a final record of 18-5, the 1986 Girls' Basketball Team had one of the most successful seasons of girls' basketball in the history of the school.

The team began its season with the goal of qualifying for the State Tournament. A record of 12 wins and 8 losses was necessary to achieve this goal. The girls were able to attain this and more.

After early losses to Apponequet and Attleboro, the team then won eight consecutive games. Following losses to Old Rochester and Bourne, the team won its last seven league games.

As co-champions of the South Coastal Conference, the team defeated Bourne in the preliminary round of the State Tournament, then defeated Oliver Ames befor bowing to Walpole in an extremely exciting game.

Sue Head made Division All Stars, while Dawn LaBounty made both Division and **Evening Times** All Star Teams. In addition, Dawn LaBounty and Chris Devine made the **Sun Chronicle** All Star Team.

The girls' record marked a tremendous turnaround from last years 7-13 record. Coach Bob Kulaga did a super job with the girls.

I hope it comes back down.

Try it under pressure.

This is the game plan.

'87 DOMINATE HOCKEY

The Ice Hockey team completed another successful season with a final regular season record of 11-7. The team was 8-4 in the competitive South Coast Conference including a victory over co-champion Fairhaven. The Warriors advanced to the State Tournament but were edged out in the first round by Harwich by a score of 3-1.

The team was led by the offensive punch of junior Todd Urquhart (44 points) and senior co-captain Kevin Harker (32 points) as well as juniors Tosh Warren and Corey Scott.

The defense was anchored by senior co-captain Rob Hunt, junior Kevin Bartels, and sophomore John Anderson.

Junior Eric Vandal had another fine season in goal with a high save percentage and a respectable goals against average.

With the loss of only three seniors (the co-captains and Brian Vermette), the team is looking forward to another strong season next year.

BANNER SEASON FOR BOYS

The Boys' Indoor Track Team completed another banner season this winter, compiling a 7-10 Record in Dual Meets and capturing the South Coast Conference Championship in the leagues first year. In addition, the team placed second in the state class D meet.

Individually, the team was led by State Mile Champion Bill Crowley, who was also named to the **Boston Globe** All Scholastic Team for the third consecutive year. Another standout was Sophomore Jason Swepson who won the High Jump in the State Class D Championship.

In addition to Bill and Jason, named to the all League Team were Keith Andrews, Andy Fredricks, Jim Haley, Mike Baldani, and Rick Savingnano. Although the team will graduate a number of seniors, Coach Mooney has high expectation for the future.

DETERMINATION + HARD WORK = SUCCESS

The Girls' Indoor Track Team went undefeated in the dual season while also capturing the State Class Title and runner-up honors in the All State Meet.

Through hard work and determination, many girls broke their goals, while other team records were likewise broken. Heather Grimshaw broke the school record in the 1000 yard run while also being elected to the All State BOSTON GLOBE Team. The mile relay team of Elisa Warren, Tracie Mooney, Heather Grimshaw and Julie Young also broke a school record.

The future looks promising with many strong runners returning and the upcoming Freshman talent.

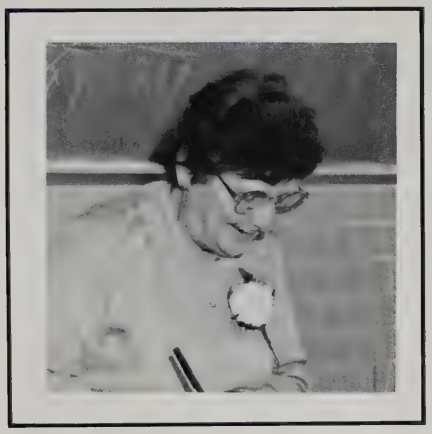
COMMITTMENT TO YOU . . .
MISS GLORIA ISLES
— 39 Years of Service —



Gloria Isles is that very rare phenomenon, the quintessential teacher. She is the prototype of what all of us aspire to be and few ever achieve in our careers. She has been a role model for countless teachers and an inspiration for generations of students.

As a fellow teacher said, "When I think of Gloria, the words that come to mind are dedication, mastery, human warmth, buoyancy, and compassion." Again and again these words were echoed by those fortunate enough to have taught with her.

Teaching is a constant quest for the right approach to make the material more accessible for students. After thirty-nine years she does not rest on past accomplishments but strives each day to find a fresh entry into her students' minds. Each student is a unique challenge and a human being of value.

Connections, correlations, and applications are her currency. Guiding students to see the simple and the complex is her goal.

Age is irrelevant to her students and colleagues when thinking of her. Defining her with a number is pointless. She defies all categorizing — she belongs to each generation she touches because she has never narrowed her parameters. She has vision which conquers and preconceptions or trends.

Plato says that all ideals exist in the mind. We are mere shadows of that potential. Yet we who teach in Seekonk have had the opportunity to experience in Gloria an individual who is as close to the realized ideal as is possible in our profession.

The absence of Gloria is going to mean more than just the absence of a gifted math teacher and a beloved colleague. As one teacher who has been her protege describes it — "I've never come to school without her being here. This school will seem so empty without her presence."

Nevertheless the legacy of Gloria Isles will remain. Her gifts to us are forever.

We are the SEA

In Appreciation

As we complete our four years in Seekonk High School, we can look back on past successes and failures. Our accomplishments are the brightest of our memories, but foremost among these memories are **Mrs. Carol Masuck,** and **Mr. Thomas Chartier.** They have been with us from our first Spirit Week win as freshmen through our Senior Prom, and Graduation. Patience is an understatement when you think of what was required to work with us on such a variety of projects.

Through it all, they were our support and guidance. A **Thank You** seems like such a small reward for the time and effort they gave us. Due to their help, we have enjoyed phenomonal success for such a small class, in rallys and proms, to name a few. Our class has gained respect and support, and the congratulations goes to our two advisors. It takes rare people to pull a class through four long years. We have been lucky to find these two individuals. **Mrs. Masuck** and **Mr. Chartier,** you have our sincerest admiration and respect.

Meridith,

Well girlie,
we're pretty much
made it through freshman
year! I'm glad I got to be really
good friends because without our
friendship and your advice, I doubt
I would've made it! We've had a lot
of good times (in school + out) and I'm positive
there's more to come! We've got a whole summer
ahead of us, w/ a couple of trips planned that
are going to be a blast! You're one of the best friends
anyone could ask for, and my fingers are crossed that
it stays that way. K. I. T no matter what!

Kylas.

Stacy

P.S. I'm not going to
mention the two "Rs"
because there's no
use discussing them.
